PROFILE

I am an ex professional athlete within football and the fitness industry of the last 18 years, during this time I have gained many transferrable skills and as self taught developer I am seeking a new challenge within the tech industry as a Web Developer.

EXPERIENCE**Freelance Web Developer 2020 - Present**

- Learned the key principles of HTML, CSS & Javascript to create dynamic mobile responsive websites across all devices.
- Implemented the use of Bootstrap in to projects to aid with layout and mobile responsiveness.
- Use of version control and deployment of websites via Github & Github Pages.
- Ability to develop accurate representations of sites from mock up designs & problem solve errors within the code.

Fitness Manager/ Personal Trainer, Bannatyne Health Club 2013 - Present

- Responsible for the management of the fitness product, class timetables and individual personal programs to meet individuals goals.
- Responsible of the day to day running of the club in the absence of the General Manager.
- Responsible for the delivery of training to the fitness team to continue their ongoing development.
- First port of call for any queries or issues regarding the fitness product.

Professional & Semi- Professional Football Player 2005 - Present

First team player representing various football clubs throughout the football pyramid. Full time professional upon leaving school, I later transitioned to part time.

SKILLS

- HTML / CSS / Javascript / React
- Bootstrap
- GitHub
- Mobile Responsive Design
