Profile

Ex professional athlete & fitness professional over the last 18 years, aiming to transfer team and leadership skills experience gained over to the development world. As a self taught developer I am seeking a new challenge in the world of tech.

Experience

Freelance Web Developer 2020 - Present

- Learned the key principles of HTML, CSS & Javascript to create dynamic, mobile responsive websites across all devices.
- Implemented the use of Bootstrap in projects to aid with layout and mobile responsiveness.
- Use of version control and deployment of websites via GitHub & GitHub Pages.
- Ability to develop accurate representations of sites from a mock up design & problem solve errors within the code.

Fitness Manager / Personal Trainer, Bannatyne Health Club, 2013 - Present

- Responsible for the management of the fitness product at the branch, timetable & staff rota design and individual personal programs & classes to meet members goals.
- Responsible of the day to day running of the club in the absence of the General Manager.
- Responsible for delivery of training to the fitness team to continue their ongoing development.
- First port of call for any queries or issues regarding to fitness.

Professional & Semi-Professional Football Player, 2005-Present

First team player representing football clubs throughout the English football pyramid. Full time professional upon leaving school, I later transitioned to a part-time model.
